MY PORTFOLIO

DREAM NOVA

Sam

Graphic Designer

Designing bold and modern visuals with clean, minimal layouts. Focused on creating eye-catching designs that engage and communicate effectively.

WHAT I CREATE

- LOGO DESIGN
- SOCIAL MEDIA POSTS
- VISITNG CARDS
- MENU DESIGN

Software Expertise

➤ CANVA

• Social Media Design • Ad Creatives • Branding

Canva

LOGO DESIGN

TJ SOUND LAB

Concept:
A modern “TJ” logo for TJ Sound Lab, integrating a guitar and rising sun to represent music, creativity, and energy, enhanced with a bold red and white color scheme.

Variative Design

TJ SOUND LAB

Color Palette

#FFFFFD #6A0102

SOCIAL MEDIA POST

Concept:
A cohesive food social media campaign featuring product highlight, creative presentation, and menu-style design. The posters use bold colors, strong typography, and clean layouts to create engaging and visually consistent promotional content.

Objective:
To create a versatile and engaging social media campaign that effectively promotes food products through different visual strategies while maintaining a unified brand feel.
